Can the Cubs Actually Afford to Sit Out the Deeper End of an Offseason?
Oct 23, 2021 - And that’s why the short-term, high-AAV plan scares me a bit. It would leave so much out of the Cubs’ control due to artificial limitations of spending intelligently. You’re trying to squeeze yourself into a very narrow window of players who might simply not be into it, or who will prefer to go elsewhere. The Cubs might have to be a little more flexible in the range of contracts they offer.
