If you ally dependence such a referred army wives on the american frontier living within the sound of bugles ebook that will give you worth, acquire the totally best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are then launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections army wives on the american frontier living within the sound of bugles that we will totally offer. It is not almost the costs. Its roughly what you craving currently. This army wives on the american frontier living within the sound of bugles, as one of the most dynamic sellers here will categorically be in the middle of the best options to review.

from journals and diaries.

**Army Wives on the American Frontier** - Anne Bruner Eales - 1996
"No one interested in the history of the American West or in women's history should miss this well-written, carefully researched, comprehensive treatment of a subject that previous scholars have largely ignored. Based on the writings of more than fifty women who accompanied their husbands to remote duty posts in the far west.

"No one interested in the history of the American West or in women's history should miss this well-written, carefully researched, comprehensive treatment of a subject that previous scholars have largely ignored. Based on the writings of more than fifty women who accompanied their husbands to remote duty posts in the far west.

**Building a Tradition** - Anne R. Shearer-Shineman - 1984
This thesis examines the role of the army wife during the American Revolutionary War, both those who stayed at home as well as those who followed their husbands to war, mainly through nineteenth-century accounts from journals and diaries.

**Mistresses of the Transient Hearth** - Robin D. Campbell - 2020-10-29
This book explores the ways in which mid-19th Century American army officers' wives used material culture to confirm their status as middle-class women.

**Mistresses of the Transient Hearth** - Robin D. Campbell - 2020-10-29
This book explores the ways in which mid-19th Century American army officers' wives used material culture to confirm their status as middle-class women.

**Camouflaged Identities and Army Wives** - Daniela Beatrix Maria Brancaforte - 2000
**Under the Sabers** - Tanya Biank - 2006-02-07
Brancaforte - 2000

**Under the Sabers** - Tanya Biank - 2006-02-07

Under the Sabers is a groundbreaking narrative detailing the complex personal challenges Army wives face, presenting a provocative new look at Army life. Tanya Biank goes beyond the sound bites and photo ops of military life and shows what it is really like to be an Army wife—from hauling furniture off the rental truck by yourself at a new duty station when your husband is in the field, to comforting your son who wants his dad home from Afghanistan for his fifth birthday—she takes readers into the hearts and homes of today’s military wives. In the summer of 2002, Army wives were in the headlines after Biank, a military reporter for the Fayetteville Observer, made international news when she broke the story about four Army wives who were brutally murdered by their husbands in the span of six weeks at Fort Bragg, an Army post that is home to the Green Berets, Airborne paratroopers, and Delta Force commandos. By that autumn, Biank, an Army brat herself, realized the still untold story of Army wives lay in the ashes of that tragic and sensationalized summer. She knew the truth—wives were the backbone of the Army. They were strong—not helpless—and deserved more than the sugarcoating that often accompanied their stories in the media. Under the Sabers tells the story of four typical Army wives, who, in a flash, find themselves neck-deep in extraordinary circumstances that ultimately force them to redefine who they are as women and Army wives. In this fascinating and meticulously researched account, Biank takes the reader past the Army’s gates, where everyone has a role to play, rules are followed, discipline is expected, perfection praised, and perception often overrides reality. Biank explores what happens when real life collides with Army convention. Biank describes what it means to be a wife and mother in a subculture that is in a constant state of readiness for war. In this hard-hitting and powerful book, Biank takes a close look at the other woman—the Army itself—and its impact on wives, marriages, and home life. This story of strength and perseverance is an eye-opener for those who have never experienced military life and an anthem to those women who each day live the "unwritten code."
Army Wives - Tanya Biank - 2007-05-29
Army Wives goes beyond the sound bites and photo ops of military life to bring readers into the hearts and homes of today’s military wives. Biank tells the story of four typical Army wives who, in a flash, find themselves in extraordinary circumstances that ultimately force them to redefine who they are as women and wives. This is a true story about what happened when real life collided with army convention. Army Wives is a groundbreaking narrative that takes the reader beyond the Army's gates, taking a close look at the other woman—the Army itself—and how its traditions, rules and wartime realities deeply impact marriage and home life.

Undaunted - Tanya Biank - 2014-02-04
As she did so provocatively with military spouses in Army Wives, Tanya Biank gives us the inside story of women in today’s military—their professional and personal challenges from the combat zone to the home front. Since 9/11, more than 240,000 women have fought in Iraq and Afghanistan—more than 140 have died there, and they currently make up fourteen percent of the total active-duty forces. Despite advances, today’s servicewomen are constantly pressed to prove themselves, to overcome challenges men never face, and to put the military mission ahead of all other aspects of their lives, particularly marriage and motherhood. In this groundbreaking, insider’s look at the women defending our nation, Tanya Biank brings to light the real issues—of femininity, belonging to an old boys’ club, veiled discrimination, dating, marriage problems, separation from children, questions about life goals, career trajectories, and self-worth—that servicewomen are facing by focusing on four individual stories. Brigadier General Angela Salinas, the Marine Corps’ first Hispanic female general, faces the challenge of commanding an all-male institution. Second Lieutenant Bergan Flanagan finds herself on the frontlines in Afghanistan, serving in the same military police company as her husband. As a marine drill instructor, Sergeant Amy Stokley demands the very best from the recruits at Parris Island. And Major Candice O’Brien deals with deployment to Afghanistan, with two young children and a strained marriage back home. Undaunted is the story of these courageous trailblazers—their struggles, sacrifices, and triumphs in the name of serving the country they love.

Army Wives in the Trans-Mississippi West, 1865-1890 - Rebecca S.
In his Rules for Wife Behavior, Colonel Joseph Whistler summed up his expectations for his new bride: “You will remember you are not in command of anything except the cook.” Although their roles were circumscribed, the wives of army officers stationed in British India and the U.S. West commanded considerable influence, as Verity McInnis reveals in this comparative study of two female populations in two global locations. Women of Empire adds a previously unexplored dimension to our understanding of the connections between gender and imperialism in the nineteenth century. McInnis examines the intersections of class, race, and gender to reveal social spaces where female identity and power were both contested and constructed. Officers’ wives often possessed the authority to direct and maintain the social, cultural, and political ambitions of empire. By transferring and adapting white middle-class cultural values and customs to military installations, they created a new social reality—one that restructured traditional boundaries. In both the British and American territorial holdings, McInnis shows, military wives held pivotal roles, creating and controlling the processes that upheld national aims. In so doing, these women feminized formal and informal military practices in ways that strengthened their own status and identities. Despite the differences between rigid British social practices and their less formal American counterparts, military women in India and the U.S. West followed similar trajectories as they designed and maintained their imperial identity. Redefining the officer’s wife as a power holder and an active contributor to national prestige, Women of Empire opens a new, nuanced perspective on the colonial experience—and on the complex nexus of gender, race, and imperial practice.

The League of Wives - Heath Hardage Lee - 2019-04-02
"With astonishing verve, The League of Wives persisted to speak truth to power to bring their POW/MIA husbands home from Vietnam. And with astonishing verve, Heath Hardage Lee has chronicled their little-known story — a profile of courage that spotlights 1960s-era military wives who forge secret codes with bravery, chutzpah and style. Honestly, I couldn’t put it down." — Beth Macy, author of Dopesick and Factory Man "Exhilarating and inspiring." — Elaine Showalter, Washington Post The true story of the fierce band of women who battled Washington—and Hanoi—to bring their husbands home from the jungles of Vietnam. On February 12, 1973, one hundred and sixteen men who, just six years earlier, had been high flying
Army and Air Force pilots, shuffled, limped, or were carried off a huge military transport plane at Clark Air Base in the Philippines. These American servicemen had endured years of brutal torture, kept shackled and starving in solitary confinement, in rat-infested, mosquito-laden prisons, the worst of which was The Hanoi Hilton. Months later, the first Vietnam POWs to return home would learn that their rescuers were their wives, a group of women that included Jane Denton, Sybil Stockdale, Louise Mulligan, Andrea Rander, Phyllis Galanti, and Helene Knapp. These women, who formed The National League of Families, would never have called themselves “feminists,” but they had become the POW and MIAs most fervent advocates, going to extraordinary lengths to facilitate their husbands’ freedom—and to account for missing military men—by relentlessly lobbying government leaders, conducting a savvy media campaign, conducting covert meetings with antiwar activists, and most astonishingly, helping to code secret letters to their imprisoned husbands. In a page-turning work of narrative non-fiction, Heath Hardage Lee tells the story of these remarkable women for the first time. The League of Wives is certain to be on everyone’s must-read list.

Colton - KB Winters - 2014-08-13
Army Ranger Colton “Hawk” Hawkins has a new set of orders — Find a wife. This new longer version has deleted scenes and never before seen love scenes! Hawk Fresh off a grueling tour overseas, I look forward to getting a little R&R — at least once I secure my promotion to Captain. I’ll do just about anything to get it — another deployment, specialized training, overtime. Bring it on. What I don’t expect is my Colonel’s advice that I get married. Marriage isn’t on my radar, but if that’s what it takes to get my boots on the next rung of the ladder, I’ll find a way. Karena After a late night snuggle session with a bottle of cab, I stumble across Colton Hawkin’s online ad and in my wine-induced haze, I realize he’s not only looking for a date — he’s looking for his last first date — so I volunteer! He’s looking for a wife. I’m looking for an adventure. What could go wrong? Love filthy talking soldiers who can melt your panties with just a look? You got it! Colton is a full-length standalone romance with no cheating, no cliffhangers and a guaranteed happily ever after!
without the actual need for moving vans, passports and change-of-address forms. Enjoy an amusing travelogue from post to post in the United States, plus travels twice around the world including tours of duty in Germany, Israel, Iran and Egypt's Sinai Desert.

**The Five Star Life of an Army Wife** - Karin Jarrett - 2009-08-01
Older military spouses can recall similar experiences. Newer military spouses can look forward to them. Non-military readers can enjoy a twenty-eight year tour of active duty through The Five Star Life of an Army Wife without the actual need for moving vans, passports and change-of-address forms. Enjoy an amusing travelogue from post to post in the United States, plus travels twice around the world including tours of duty in Germany, Israel, Iran and Egypt's Sinai Desert.

**British Soldiers, American War** - Don N. Hagist - 2014
Nine Rare and Fascinating First-Person Profiles of Soldiers Who Fought for the British Crown Much has been written about the colonists who took up arms during the American Revolution and the army they created. Far less literature, however, has been devoted to their adversaries. The professional soldiers that composed the British army are seldom considered on a personal level, instead being either overlooked or inaccurately characterized as conscripts and criminals. Most of the British Redcoats sent to America in defense of their government’s policies were career soldiers who enlisted voluntarily in their late teens or early twenties. They came from all walks of British life, including those with nowhere else to turn, those aspiring to improve their social standing, and all others in between. Statistics show that most were simply hardworking men with various amounts of education who had chosen the military in preference to other occupations. Very few of these soldiers left writings from which we can learn their private motives and experiences. British Soldiers, American War: Voices of the American Revolution is the first collection of personal narratives by British common soldiers ever assembled and published. Author Don N. Hagist has located first-hand accounts of nine soldiers who served in America in the 1770s and 1780s. In their own words we learn of the diverse population--among them a former weaver, a boy who quarreled with his family, and a man with wanderlust--who joined the army and served

---

Portraits of the Toughest Job in the Army - Janelle H. Mock - 2007-06
Intimate memoirs detail the struggles and courage of more than twenty modern Army wives while their husbands serve their country during the War on Terror.

Women of the Constitution - Janice E. McKenney - 2013
Features biographical sketches of the spouses of the signers of the United States Constitution.

Mistresses of the Transient Hearth - Robin Dell Campbell - 2002
Features biographical sketches of the spouses of the signers of the United States Constitution.

British Soldiers, American War - Don N. Hagist - 2014
Nine Rare and Fascinating First-Person Profiles of Soldiers Who Fought for the British Crown Much has been written about the colonists who took up arms during the American Revolution and the army they created. Far less literature, however, has been devoted to their adversaries. The professional soldiers that composed the British army are seldom considered on a personal level, instead being either overlooked or inaccurately characterized as conscripts and criminals. Most of the British Redcoats sent to America in defense of their government’s policies were career soldiers who enlisted voluntarily in their late teens or early twenties. They came from all walks of British life, including those with nowhere else to turn, those aspiring to improve their social standing, and all others in between. Statistics show that most were simply hardworking men with various amounts of education who had chosen the military in preference to other occupations. Very few of these soldiers left writings from which we can learn their private motives and experiences. British Soldiers, American War: Voices of the American Revolution is the first collection of personal narratives by British common soldiers ever assembled and published. Author Don N. Hagist has located first-hand accounts of nine soldiers who served in America in the 1770s and 1780s. In their own words we learn of the diverse population—among them a former weaver, a boy who quarelled with his family, and a man with wanderlust—who joined the army and served tirelessly and dutifully, sometimes faithfully and sometimes irresolutely, in the uniform of their nation. To accompany each narrative, the author provides a contextualizing essay based on archival research giving background on the soldier and his military service. Taken as a whole these true stories reveal much about the individuals who composed what was, at the time, the most formidable fighting force in the world.

Waiting Wives - Donna Moreau - 2010-05-11
In 1964, as the first B-52s took flight in what would become America’s longest combat mission, an old Air Force base on the plains of Kansas became Schilling Manor -- the only base ever to be set aside for the wives and children of soldiers assigned to Vietnam. Author Donna Moreau was the daughter of one such waiting wife, and here she writes of growing up at a time when The Flintstones were interrupted with news of firefights, fraggings, and protests, when the evening news announced death tolls along with the weather forecasts. The women and children of Schilling Manor fought on the emotional front of the war. It was not a front composed of battle plans and bullets. Their enemies were fear, loneliness, lack of information, and the slow tick of time. Waiting Wives: The Story of Schilling Manor, Home Front to the Vietnam War tells the story of the last generation of hat-and-glove military wives called upon by their country to pack without question, to follow without comment, and to wait quietly with a smile. A heartfelt book that focuses on this other, hidden side of war, Waiting Wives is a narrative investigation of an extraordinary group of women. A compelling memoir and domestic drama, Waiting Wives is also the story of a country in the midst of change, of a country at war with a war.
the story of Margaret Corbin, who was crippled for life when she took her compelling memoir and domestic drama, Waiting Wives is also the story of a country in the midst of change, of a country at war with a war.

**Sisters of Valor** - Rosalie T. Turner - 2009-05-01
The sometimes-forgotten valor of the service wife during the Vietnam War years, told through four very different women who come together and find the support they need. The women grapple with what the Vietnam War meant to us as a country and to them personally.

**Revolutionary Mothers** - Carol Berkin - 2007-12-18
The American Revolution was a home-front war that brought scarcity, bloodshed, and danger into the life of every American. In this groundbreaking history, Carol Berkin shows us how women played a vital role throughout the conflict. The women of the Revolution were most active at home, organizing boycotts of British goods, raising funds for the fledgling nation, and managing the family business while struggling to maintain a modicum of normalcy as husbands, brothers and fathers died. Yet Berkin also reveals that it was not just the men who fought on the front lines, as in the story of Margaret Corbin, who was crippled for life when she took her husband’s place beside a cannon at Fort Monmouth. This incisive and comprehensive history illuminates a fascinating and unknown side of the struggle for American independence.

**Dutiful Service** - Robert E. Dewhirst - 2004
Throughout her time in the White House Mamie Eisenhower was one of America’s most beloved First Ladies. The last First Lady to be born in the nineteenth century, Mamie Eisenhower in many ways personified traditional views of the proper role of women in the first half of the twentieth century. She supported her husband and his career wholeheartedly and did all she could to help him achieve his goals. This volume chronicles her life from her comfortable and affluent childhood through a nomadic life as an 'Army wife' to the halls of power and influence in the White House.

**The Howe Dynasty: The Untold Story of a Military Family and the Women Behind Britain's Wars for America** - Julie Flavell - 2021-07-20
Finally revealing the family’s indefatigable women among its legendary military figures, The Howe Dynasty recasts the British side of the American Revolution. In December 1774, Benjamin Franklin met Caroline Howe, the sister of British General Sir William Howe and Richard Admiral Lord Howe, in a London drawing room for “half a dozen Games of Chess.” But as historian Julie Flavell reveals, these meetings were about much more than board games: they were cover for a last-ditch attempt to forestall the outbreak of the American War of Independence. Aware that the distinguished Howe family, both the men and the women, have been known letters of Caroline Howe, which have been blatantly overlooked since the nineteenth century. Using revelatory documents and this correspondence, The Howe Dynasty provides a groundbreaking reinterpretation of one of England’s most famous military families across four wars. Contemporaries considered the Howes impenetrable and intensely private—or, as Horace Walpole called them, “brave and silent.” Flavell traces their roots to modest beginnings at Langar Hall in rural Nottinghamshire and highlights the Georgian phenomenon of the politically involved aristocratic woman. In fact, the early careers of the brothers—George, Richard, and William—can be credited not to the maneuverings of their father, Scrope Lord Howe, but to those of their aunt, the savvy Mary Herbert Countess Pembroke. When eldest sister Caroline came of age during the reign of King George III, she too used her intimacy with the royal inner circle to promote her brothers, moving smoothly between a straitlaced court and an increasingly scandalous London high life. With genuine suspense, Flavell skillfully recounts the most notable episodes of the brothers’ military campaigns: how Richard, commanding the HMS Dunkirk in 1755, fired the first shot signaling the beginning of the Seven Years’ War at sea; how George won the devotion of the American fighters he commanded at Fort Ticonderoga just three years later; and how youngest brother General William Howe, his sympathies torn, nonetheless commanded his troops to a bitter Pyrrhic victory in the Battle of Bunker Hill, only to be vilified for his failure as British commander-in-chief to subdue Washington’s Continental Army. Britain’s desperate battles to guard its most vaunted colonial possession are here told in tandem with London parlor-room intrigues, where Caroline bravely fought to protect the Howe reputation in a gossipy aristocratic milieu. A riveting narrative and long overdue reassessment of the entire family, The Howe Dynasty forces us to reimagine the Revolutionary War in ways that would have been previously inconceivable.

**Founding Mothers** - Cokie Roberts - 2009-04-14

Cokie Roberts’s number one New York Times bestseller, We Are Our Mothers’ Daughters, examined the nature of women’s roles throughout history and led USA Today to praise her as a “custodian of time-honored values.” Her second bestseller, From This Day Forward, written with her husband, Steve Roberts, described American marriages throughout history, including the romance of John and Abigail Adams. Now Roberts returns with Founding Mothers, an intimate and illuminating look at the fervently patriotic and passionate women whose tireless pursuits on behalf of their families -- and their country -- proved just as crucial to the forging of a new nation as the rebellion that established it. While much has been written about the men who signed the Declaration of Independence, battled the British, and framed the Constitution, the wives, mothers, sisters, and daughters they left behind have been little noticed by history. Roberts brings us the women who fought the Revolution as valiantly as the men, often defending their very doorsteps. While the men went off to war or to Congress, the women managed their businesses, raised their children, provided them with political advice, and made it possible for the men to do what they did. The behind-the-scenes influence of these women -- and their sometimes very public activities -- was intelligent and pervasive. Drawing upon personal correspondence, private journals, and even favored recipes, Roberts reveals the often surprising stories of these fascinating women, bringing to life the everyday trials and extraordinary triumphs of individuals like Abigail Adams, Mercy Otis Warren, Deborah Read Franklin, Eliza Pinckney, Catherine Littlefield Green, Esther DeBerdt Reed, and Martha Washington -- proving that without our exemplary women, the new country might never have survived. Social history at its best, Founding Mothers unveils the drive, determination, creative insight, and passion of the other patriots, the women who raised our nation. Roberts proves beyond a doubt that like every generation of American women that has followed, the founding mothers used the unique gifts of their gender -- courage, pluck, sadness, joy, energy, grace, sensitivity, and humor -- to do what women do best, put one foot in front of the other in remarkable circumstances and carry on.

The Army Nurse Corps - Judith Bellafaire - 1993

After Vietnam the army promised its all-volunteer force a safety net long reserved for career soldiers: medical and dental care, education, child care, financial counseling, housing assistance, legal services. Jennifer Mittelstadt shows how this unprecedented military welfare system expanded at a time when civilian programs were being dismantled.

Army Wives - Midge Gillies - 2016-11-18
Most families have an army wife somewhere in their past. Over the centuries they have followed their men to the front, helped them keep order in far-flung parts of the empire or waited anxiously at home. Army Wives uses first hand accounts, letters and diaries to tell their story. We meet the wives who made the arduous journey to the Crimean war and witnessed battle at close quarters. We hear the story of life in the Raj and the, often terrifying, experiences of the women who lived through its dying days. We explore the pressures of being a modern army wife - whether living in barracks or trying to maintain a normal home life outside 'the patch'. In the twentieth century two world wars produced new generations of army wives who forged friendships that lasted into peacetime. Army Wives reveals their experience and that of a new breed of independent women who supported their men through the Cold War to the current war on terror. Midge Gillies, author of acclaimed The Barbed-Wire University, looks at how industrial warfare means husbands can survive battle with life-changing injuries that are both mental and physical - and what that means for their family. She describes how army wives communicate with their husbands - via letters and coded messages, to more immediate, but less intimate, texts and Skype.
soldier's wives features the topics of lengthy separations, anxieties, in a foreign field of the Great War to the modern media coverage of flag-draped coffins returning home by military plane. Above all, Army Wives examines what it really means to be part of the 'army family'.

Above all, Army Wives examines what it really means to be part of the 'army family'.

**Chicken Soup for the Military Wife's Soul** - - 2005
A collection of stories ranging from touching to humorous for and about soldier's wives features the topics of lengthy separations, anxieties, courage, and family life.

**Beyond the Shadow of Camptown** - Ji-Yeon Yuh - 2004-04-01
Since ancient times, physicians have believed that women are especially vulnerable to certain mental illnesses. Contemporary research confirms that women are indeed more susceptible than men to anxiety, depression, multiple personality, and eating disorders, and several forms of what used to be called hysteria. Why are these disorders more prevalent in women? Brant Wenegrat convincingly asserts that women's excess risk stems from a lack of social power. He reviews women's social power from an evolutionary and cross-cultural perspective and places mental disorders in the context of evolution and societal organization. In this comprehensive look at mental disorders commonly associated with women, Brant Wenegrat convincingly asserts that women's excess risk stems from a lack of social power.

**Campfollowing** - Betty Sowers Alt - 1991
Incorporating unpublished and published memoirs, diaries, letters, and personal interviews, this book follows military wives who accompanied their
girls, bestselling author Liza Mundy brings to life this riveting and vital Vietnam War to the present.

**Campfollowing** - Betty Sowers Alt - 1991
Incorporating unpublished and published memoirs, diaries, letters, and personal interviews, this book follows military wives who accompanied their husbands stateside and overseas from the American Revolution through the Vietnam War to the present.

**Code Girls** - Liza Mundy - 2017-10-10
The award-winning New York Times bestseller about the American women who secretly served as codebreakers during World War II—a "prodigiously researched and engrossing" (New York Times) book that "shines a light on a hidden chapter of American history" (Denver Post). Recruited by the U.S. Army and Navy from small towns and elite colleges, more than ten thousand women served as codebreakers during World War II. While their brothers and boyfriends took up arms, these women moved to Washington and learned the meticulous work of code-breaking. Their efforts shortened the war, saved countless lives, and gave them access to careers previously denied to them. A strict vow of secrecy nearly erased their efforts from history; now, through dazzling research and interviews with surviving code girls, bestselling author Liza Mundy brings to life this riveting and vital story of American courage, service, and scientific accomplishment.

**American Wife** - Curtis Sittenfeld - 2008-09-02
NEW YORK TIMES BESTSELLER • A gorgeously written novel that weaves class, wealth, race, and fate into a brilliant portrait of a first lady—from the author of Rodham and Eligible “Terrific . . . an intelligent, bighearted novel about a controversial political dynasty.”—Entertainment Weekly
NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR: Time • People • Entertainment Weekly
A kind, bookish only child born in the 1940s, Alice Lindgren has no idea that she will one day end up in the White House, married to the president. In her small Wisconsin hometown she learns the virtues of politeness, but a tragic accident when she is seventeen shatters her identity and changes the trajectory of her life. More than a decade later, when the charismatic son of a powerful Republican family sweeps her off her feet, she is surprised to find herself admitted into a world of privilege. And when her husband unexpectedly becomes governor and then president, she discovers that she is married to a man she both loves and fundamentally disagrees with—and that her private beliefs increasingly run against her public persona. As her husband’s presidency enters its second term, Alice must confront contradictions years in the making and face questions nearly impossible to answer.

nineteenth-century American soldiers, discusses recruitment, training,
health, pay, clothing, food, and military justice, and looks at the attitudes of
soldiers and officers

Supplying Washington's Army - Erna Risch - 1981
Supplying Washington's Army - Erna Risch - 1981

The Regulars - Edward M. Coffman - 2007-04-30
In 1898 the American Regular Army was a small frontier constabulary
engaged in skirmishes with Indians and protesting workers. Forty-three
years later, in 1941, it was a large modern army ready to wage global war
against the Germans and the Japanese. In this definitive social history of
America’s standing army, military historian Edward Coffman tells how that
critical transformation was accomplished. Coffman has spent years
immersed in the official records, personal papers, memoirs, and biographies
of regular army men, including such famous leaders as George Marshall,
George Patton, and Douglas MacArthur. He weaves their stories, and those
of others he has interviewed, into the story of an army which grew from a
small community of posts in China and the Philippines to a highly effective
mechanized ground and air force. During these years, the U.S. Army
In 1898 the American Regular Army was a small frontier constabulary engaged in skirmishes with Indians and protesting workers. Forty-three years later, in 1941, it was a large modern army ready to wage global war against the Germans and the Japanese. In this definitive social history of America's standing army, military historian Edward Coffman tells how that critical transformation was accomplished. Coffman has spent years immersed in the official records, personal papers, memoirs, and biographies of regular army men, including such famous leaders as George Marshall, George Patton, and Douglas MacArthur. He weaves their stories, and those of others he has interviewed, into the story of an army which grew from a small community of posts in China and the Philippines to a highly effective mechanized ground and air force. During these years, the U.S. Army conquered and controlled a colonial empire, military staff lived in exotic locales with their families, and soldiers engaged in combat in Cuba and the Pacific. In the twentieth century, the United States entered into alliances to fight the German army in World War I, and then again to meet the challenge of the Axis Powers in World War II. Coffman explains how a managerial revolution in the early 1900s provided the organizational framework and educational foundation for change, and how the combination of inspired leadership, technological advances, and a supportive society made it successful. In a stirring account of all aspects of garrison life, including race relations, we meet the men and women who helped reconfigure America's frontier army into a modern global force.

**American Wife** - Taya Kyle - 2015-05-04

The widow of “American Sniper” Chris Kyle shares their private story: an unforgettable testament to the power of love and faith in the face of war and unimaginable loss--and a moving tribute to a man whose true heroism ran even deeper than the legend. In early 2013, Taya Kyle and her husband Chris were the happiest they ever had been. Their decade-long marriage had survived years of war that took Chris, a U.S. Navy SEAL, away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War. After struggling to readjust to life out of the military, Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans and their families. Their love had deepened, and, most special of all, their family was whole, finally. Then, the unthinkable. On February 2, 2013, Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet. The life Chris and Taya fought so hard to build together was shattered. In an instant, Taya became a single parent of two. A widow. A young woman facing the rest of her life without the man she loved. Chris and Taya’s remarkable story has captivated millions through Clint Eastwood’s blockbuster, Academy Award-winning film American Sniper, starring Bradley Cooper as Chris and Sienna Miller as Taya, and because of Chris’s bestselling memoir, in which Taya contributed passages that formed the book’s emotional core. Now, with trusted collaborator Jim DeFelice, Taya writes in never-before-told detail about the hours, days, and months after his shocking death when grief threatened to overwhelm her. Then there were wearying battles to protect her husband’s legacy and reputation. And yet throughout, friendship, family, and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much. Two years after her husband’s tragic death, Taya has found renewed meaning and connection to Chris by advancing their shared mission of “serving those who serve others,” particularly military and first-responder families. She and the children now are embracing a new future, one that honors the past but also looks forward with hope, gratitude, and joy. American Wife is one of the most remarkable memoirs of the year -- a universal chronicle of love and heartbreak, service and sacrifice, faith and purpose that will inspire every reader.
