Western Civilization, A Concise History - Volume 3

The non-noble rich and middle class came to distinguish themselves both from the working class and the old nobility by taking pride in their morality, sobriety, work ethic, and cleanliness. They often regarded the workers as little better than animals, but some also regarded the old nobles as corrupt, immoral, and increasingly archaic.

Rethinking higher education and its relationship with Oct 13, 2017 · The purposes and impact of higher education on the economy and the broader society have been transformed through time in various ways. Higher education institutional and policy dynamics differ
