Change has the capacity to better an organization or demise of it. When change is handled and managed successfully, success and growth will result. Netflix’s success, and Blockbuster’s eventual demise are examples of how organizations offering similar products and services can either thrive or fail in the face of external technological and industrial changes.

12.1 Advertising - Understanding Media and Culture
The rise of the penny press during the 1800s had a profound effect on advertising. The New York Sun embraced a novel advertising model in 1833 that allowed it to sell issues of the paper for a trifling amount of money, ensuring a higher circulation and a wider audience. This larger audience in turn justified greater prices for advertisements, allowing the paper to make a profit from its ads.
